

Review Board,

I am submitting this Petition For Reconsideration in the case of the dismissal of file number 0003772933 application for vanity call sign. I would like for the Board to grant my license request based on the following:

1. The call W3VT is the initials of my name (Whitney V. Tritch)
2. I applied in a timely manner with one call on the vanity list
3. The other applicant filed 2 weeks before with a vanity application
4. The other applicant filed one week before with the same vanity call as before
5. The other applicant filed at the same time with 2 vanity call signs
6. I think this person did not know what he wanted and was very undecided unlike myself, I know what call I wanted from the start.
7. Last but certainly not least, I was looking for this call years ago and I found the gentleman that had the call. I talked to the mans wife and she indicated that her husband was ill. I told her that his license was going to expire and would she like to renew the license. He said that would be a good thing to do for her husband but she did not know what or how to do this license renewal. I told her that I would do everything I can to get his license renewed and I would send the information to her. The very next day, I send Mrs. Cheek a letter with the filed in application and an envelope addressed to the FCC. I wrote down that all Mr. Cheek had to do was sign the application and all that Mrs. Cheek had to do was put a stamp on the envelope and mail the application. I was more than willing to give up this license for 10 more years just for this man could have his license. I am sorry to say that Mr. Cheek passed away and never got the chance to continue with his license.
8. I think I should be granted the call sign W3VT for all the above reasons and especially for the good will shown in item 7 above.

Thank you so much for your consideration on the vanity call sign application.
