

Moon Crash!

Moody, your
jumpsuit is really
fly!

But do you think maybe
someday you'll learn how
to size your pictures and
use Chillcam correctly?

(I doubt it.)

7

Glenn, I'm sorry to hear that Becky Zed doesn't want to go with you to visit Art in Manila, but I'd be glad to come down to your place to keep her from getting lonely while you're gone.

Ben, I
heard that
you can't
get a date.
I'll go out
with you!!

In a very unfortunate incident, Klink loses his buttginity.

That's because he can't find his ass with both hands!

Goddammit, get up here,
you son of a bitch!
Oh, sweet mother of god!
His ass is full of
hemorrhoids, and it looks
like he never wipes it!

No!!
Nooooo!!
You'll rot in
jail for this!

Pork that
sow!
Ha, ha, ha,
ha, ha!

I'll take the
other guy with
the bad teeth!

But Klink,
there IS no
law against
screwing
Fuck Tards!

From the "Squeal
Like A Pig"
Department:

You gonna do
some praying for
me, boy. And you
better pray real
good!

That klink! What a
fuckup!

Good Operator Report

Radio W6WBJ, your call was heard ^{calling} N6EDV at 21:25 UTC.
 Date: 3-5-2007 Frequency 3.840 MHz Mode LSB Your RST 5x7

We thought you would like to know...

That this Official Observer has noted your EXCELLENT radio signal quality/operating procedure as a fine example for all radio amateurs.

Remarks: Special event stations keep amateur radio in public eye. Your professional operation reflects a positive image for everyone in the hobby. Keep up the good work!

This observation by the undersigned ARRL Official Observer is a function of the Amateur Auxiliary to the FCC. This Observer thanks you for your excellent example of good amateur practice for others in the Amateur Radio Service. Keep up the good work.
