This is a **LETTER of DEMAND** primarily to “QRN”, the starter of this thread, who I have every reason to believe is one *[name and address deleted by admin]* But, because QRN is also an “Administrator” of the Publisher, **WorldWide Radio Forum** herein and otherwise, this **DEMAND** is also addressed to the owner(s), manager(s), operator(s), ‘directing’ mind(s) and/or ISP of this website, jointly and severally.

I put ALL of you on Formal Legal NOTICE that this thread “VE7KFM: Victim or psychopath?” [sic] generally and the originating post herein by QRN in particular, is substantially **FALSE, MISLEADING and DEFAMATORY** [*SIC*] directly and through innuendo, as are elements of his subsequent comments and those of some of the other posters following QRN’s opening/lead.

Also, and this goes to similar fact evidence/course of conduct, QRN has made similar **DEFAMATORY** statements about me on this WorldWide Radio Forum and elsewhere before.... Perversely, there is evidence to be found in some of his previous comments on this Forum and elsewhere, that QRN actually **KNOWS** that some of what he writes is **FALSE** and **MISLEADING** either directly but especially through innuendo.... Moreover, he was previously personally warned by me, in writing, not to engage in, republish and/or conspire with others in this **DEFAMATORY** conduct on the Internet and otherwise.... Yet, as this thread started by him evidences, he continues with this course of conduct, which suggests **MALICE** and a possible **CONSPIRACY** with others to **DEFAME**, with all that imports at law....

QRN makes statements of supposed fact in this thread that he **KNOWS**—or as a native-English-speaker and presumed “sane person” of middle-age and intellect **OUGHT TO KNOW**—are not only **FALSE** and **MISLEADING** [*SIC*], but patently **PREPOSTEROUS** and as such **INDEFENSIBLE** on their face/in the plain/standard English meaning of the words. For a partial example only, **QRN’s** comment: “Everything else he has said is a lie so why believe that.” both standing alone as well as in the context, is one such categorical and patently **FALSE** and **UNPROVABLE** statement....

Suffice it to say that the thread, from the title in the context, through the several **FALSE, MISLEADING** and **DEFAMATORY** posts by **QRN**, to the **DEFAMATORY** comments made by others following his opening/lead, is seriously legally, intellectually, morally and otherwise compromised and should be removed **FORTHWITH**....

Consequently, in order to put this matter to rest, **I DEMAND** that the Publisher:

- (1) **REMOVE** this thread, in its entirety, **FORTHWITH**;
- (2) publish an **UNEQUIVOCAL APOLOGY** [with ~equal prominence, on this website]; and,
- (3) institute fool-proof [sic] procedures to ensure that similar **DEFAMATION** by **QRN** and/or others does not recur.

If you are unsure as to what passes for an unequivocal apology at law and/or the adequacy/prominence of its required publication in ~similar circumstances, see, for example:
